Assembly manual

Thank you for purchasing our Architects Organizer for Architects of the West Kingdom™.
A digital copy of the manual is available for download on gamingtrunk.com

IMPORTANT: Assemble each tray one by one. Please **DO NOT** take out all the parts from the sheets and mix them. Even though some parts look similar, they are not interchangeable.

The organizer assembly requires about 45 minutes.

The organizer is designed for pieces to snap into place. However, due to variances in wood, glue might be required to secure the pieces together.

We recommend wood glue or another comparable quick setting, tacky glue.

Assembly tips:

- Some connections may require some force to assemble.
- Due to the cutting process, some pieces may vary slightly. If the piece is symmetrical reversing it may help.
