Assembly Manual

Thank you for purchasing Powerful organizer for unsleeved cards compatible with Dominion™

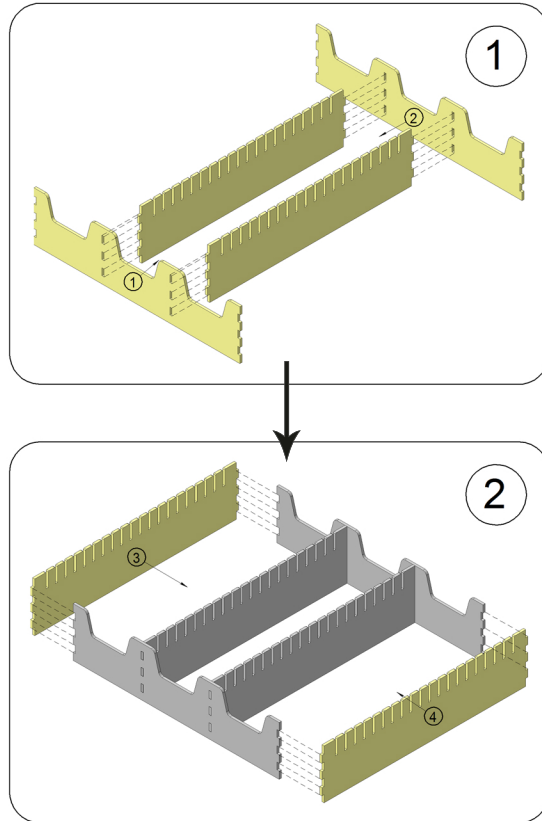

A digital copy of the manual is available for download on gamingtrunk.com

The organizer assembly requires about 45 minutes. The organizer is designed for pieces to snap into place, but due to variances in wood, glue may be necessary to secure the pieces together. We recommend wood glue or another comparable quick setting, tacky glue.

Assembly tips:

- Some connections may require some force to assemble.
- Due to the cutting process, some pieces may vary slightly. If the piece is symmetrical reversing it may help.
