# Assembly manual

Thank you for purchasing our Holledau organizer for Hallertau.  
A digital copy of the manual is available for download on [gamingtrunk.com](http://gamingtrunk.com)

The organizer assembly requires about 90 minutes.  
The organizer is designed for no-glue assembly. However, applying some glue on the corner connections will increase trays durability. Due to variances in wood, a rubber mallet or glue might be required to secure the pieces together.

We recommend wood glue or another comparable quick setting, tacky glue.

## Assembly tips:

- Some connections may feel too tight. Use of a rubber mallet is recommended to set the parts on their place.
- Due to the cutting process, some pieces may vary slightly. If the piece is symmetrical reversing it may help

Please remove protective film from the tray lids before use.
