Assembly manual

Thank you for purchasing our Rising Star Organizer for Rising Sun™ KS Edition.
A digital copy of the manual is available for download on gamingtrunk.com

Core box insert assembly

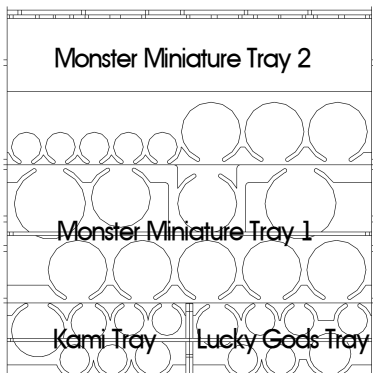

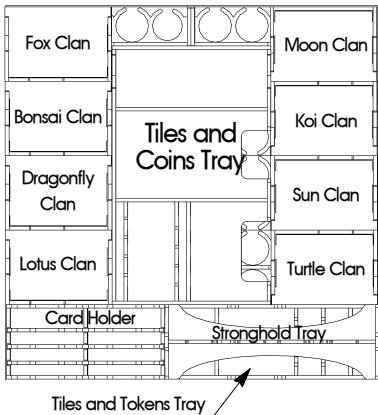

The organizer assembly requires about 120 minutes.

The organizer is designed for pieces to snap into place. However, some connections require glue to secure the pieces together.

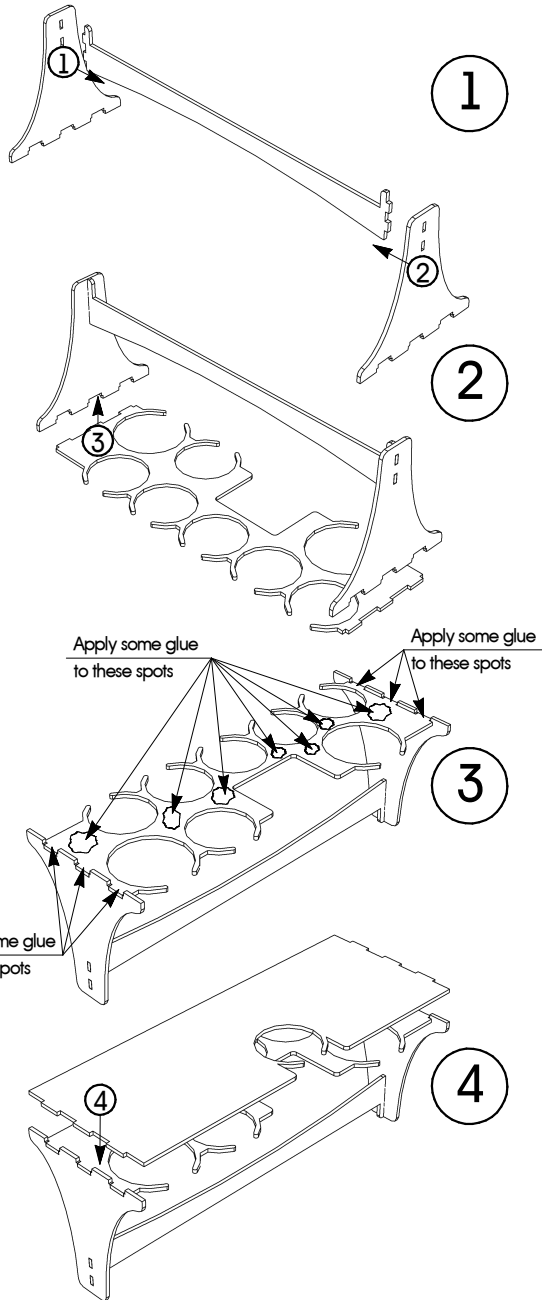

We recommend wood glue or another comparable quick setting, tacky glue.

Assembly tips:

- Some connections may require some force to assemble.
- Due to the cutting process, some pieces may vary slightly. If the piece is symmetrical reversing it may help.
